

Migrants, Asylum Seekers, Refugees

Some Biblical Perspectives on People on the Move

For three Thursdays during Lent (16th, 23rd and 30th March), Karl Möller will be offering a Lent Course, exploring Old and New Testament perspectives on migration, while also helping us reflect on hospitality and the embrace of the stranger.

The sessions will be held in the downstairs centre lounge from 8 to 9.30pm.

All are welcome.
