ABOUT ST. THOMAS LANCASTER'S HEART OF THE CITY PROJECT:

Our vision is to create a new, modern and flexible multi-purpose centre for use by the local community and local charities, as well as by the church. Some of these activities will be faith-based, others will be community-based. We want to be able to welcome those in the "Heart of the City of Lancaster", to support those in need, and to share our faith with those who are interested. Please help us raise much-needed funds so that we can bring this vision to reality. Thank you.
